Artist Nickel Mundambi from DRC. Congo presented his work to Frankie Read, USA Consul General Melbourne.

“Today is [#MandelaDay](#) - and we can't imagine a better way to honour Madiba than joining the organization Future Voices to launch the Shepparton Mandela Youth Leadership Summit along with the Learning Centre at Latrobe University. CG Frankie Reed spoke about how Nelson Mandela reminded us that everyone has a story and the importance of sharing and listening to those stories and how others have struggled. Initiatives like the Mandela project - and the students and community leaders that make them happen - truly inspire us!” Frankie Read, USA Consul General Melbourne said.
