

The 4th Nelson Mandela Youth Leadership Summit

Resilience, Justice and Youth Development

Dear students and parents

You are invited to an important online event.

Friday 10 September 2021, 9am - 12 noon

The Nelson Mandela Youth Leadership summit promises to be very exciting and engaging event for young people with and old like. Nelson Mandela Youth Leadership Summit brings together a diverse youth population – refugees’ youth, migrant youth, indigenous youth, and others Australian born youths to create of group of connected future leaders of the region and Australia. An opportunity to learn optimistic skills, and knowledges that provide a sense of hopefulness, confidences and good expectation that future will predict the best possible results.

It is a regional unique model that allow youth, work of grassroots organisation, diplomats, government representatives, policy makers, professional associations to take part in forums that would result in actionable goal setting, an opportunity to share knowledge, and networking that focuses on building stronger Australia-regional engagements with the rest of the world particularly through celebrating Nelson Mandela legacy.
